Be advised that Asset Inc, and associated agents do not work under a Contingency / Consignment / Flat fee basis. I am aware that each recovery agent is sworn in by the government, and charges are based on time and mileage. I am also aware that PPSA and MVS searches must be run on this assignment, and a lien must be registered on my behalf if one has not been previously registered in order to lawfully proceed with seizure. I agree to pay such mentioned fees via certified cheque which must be received by Asset Inc. prior to release of unit.
